Untitled Agents from Catarrh."

Prof. W. H. Harper, the famous mesmerist,
of Ithaca, N.Y., writes: "I have suffered
from catarrh for three years. At times I could
hardly breathe, and was constantly hawking
and spitting, and for the last eight months could
not sleep at night. I tried every remedy that
anything could be done for me. Luckily I was
advised to try Dr. Sage's Catarrh Remedy, and
I am now a well man. I believe it to be the
only sure remedy for catarrh now manufactured,
and one has only to give it a fair trial to experience
astounding results and a permanent
cure."

A complete Treatise on Catarrh, giving val-
uable hints as to clothing, diet and other matters
of importance, will be mailed, post-paid to any
address, on receipt of a two-cent postage stamp.
